MECHANICAL AND ELECTRICAL ENGINEERING DEPARTMENT
No.1, Rajaji Salai, Chennai – 600 001.

Sub:- Budgetary – Budgetary Offer to carryout UTG of Hull
& Deck plates of Floating Crafts on Annual Contract basis
- Regarding.

The Trust seeks budgetary offers to carryout UTG of Hull & Deck plates
of Floating Crafts on Annual Contract basis.

SCHEDULE 'A'
TECHNICAL SPECIFICATIONS

Scope of work:

Chennai Port Trust proposes to carryout the following works

The Trust is in possession of five Tugs, One Pilot Launch, Two Mooring Launches, Multipurpose Vessel Prestige and Dredger Cauvery. When these floating crafts are docked for repair works of underwater portions / dry dock, the ultrasonic thickness gauging of the hull plate, keel and deck has to be measured for renewal of the hull and deck plates for keeping the craft in seaworthy condition as well as for safety of the craft.

TECHNICAL SPECIFICATION

The purpose of Specification to carryout Ultrasonic thickness gauging of Hull Plates, Keel and deck etc., on Tugs & Launches to assess the plate thickness to identify and renew wherever the thickness of the plate is below the norms.

The approximate no. of points to be gauged shall be around 5000 points. The No. of points may vary as per the Trust Inspection after cleaning and chipping. Hence actual points done are only entitled for payment.

The UTG gauging shall be carried out in the presence of representative of plating shop. The readings shall be tabulated clearly and a copy shall be submitted to AE (Plating Shop).

The firm shall submit along with the quotation a copy of the approval of authority like IRS / MMD for the eligibility to execute this work. The offers without this documents will be rejected.

Being an annual contract for each work about 3 days notice will be given to start and complete the work in a reasonable time accepted by all.

Necessary ladder, scaffolding if available will be provided by plating section or else it is the responsibility of the contractor to bring those.

The rate shall be quoted as per the enclosed scheduled A1 format.

GENERAL CONDITIONS:

- ii) All tools, tackles, transportation requirements man power for the work is the responsibility of the contractor.
- iii) The Contractor shall ensure that minimum wages have paid to the employer engaged by the Contractor.
- iv) Necessary entry passes have to be arranged by the Contractor.
- v) The Contractor should provide safety Gears / Devices to the employees engaged for the work.
- vi) The contractor may inspect the Tug /Launch before quoting the rates.
- vii) The Contractor should furnish the ESI certificate.
- viii) Insurance cover should be taken for the employees engaged by the contractor.
- xi) GST Registration Certificate should be furnished.

2. The rates shall be quoted for carrying out the above work in the **Cost Schedule 'A1'** only and the price quoted shall be firm till the completion of work.

3. Payment Terms:

The payment shall be made within 30 days from the date of receipt of the bill.

Hence, kindly furnish your budgetary offer as per the Trust's enclosed Cost Schedule A1 so as to reach the office on or before 26.07.2017 to the Chief Mechanical Engineer, Chennai Port Trust located at the 7th Floor of Centenary Building.
