CHENNAI PORT TRUST

QUOTATION FOR SUPPLYING OF MATERIALS SUCH AS CEMENT, RIVER SAND ON ANNUAL CONTRACT BASIS FOR TONDIARPET HOUSING COLONY OF CHENNAI PORT TRUST

SCHEDULE 'B'

SPECIAL CONDITIONS

1. The work shall be completed within **Three (3) Months** from the seventh day of placing the order (or) the actual date of starting the work whichever is earlier.
2. **CEMENT REQUIRED FOR THE WORK TO BE PROCURE BY THE CONTRACTOR AT THEIR OWN COST.**
 - 2.1 The contractor shall procure 43 Grade (conforming to IS 8112) or 53 grade (conforming to IS 12269) Ordinary Portland cement or any other special grade/quality of cement as required for the work, from reputed manufacturers of cement such as Ultra tech, Birla, ACC, India Cements, Madras Cements, Chettinadu Cements, Dalmia Cements, Zuari Cements, Penna Cements or any other equivalent brands as approved by the Engineer.
In case of non-availability of Ordinary Portland cement, Portland pozzolana cement conforming to IS 1489 shall be used with suitable admixtures to attain the required strength.
3. **SUPPLY OF DRINKING WATER AT THE SITE OF WORK:**
The Contractor shall make his own arrangements.
4. **SUPPLY OF WATER FOR THE WORK:**
NA
5. **Electricity Supply for Works:**
NA
6. **Water and Fuel for plants and Machinery:**
NA
7. **MISCELLANEOUS CONDITIONS:**
 - (a) The Chief Engineer shall have the right to omit at his discretion one or more items of work when placing the order.
 - (b) The quantities indicated in the schedule are only approximate and can be increased or decreased at the discretion of the Chief

Engineer. However, the consequent variation in the Total Contract Value will be limited to 20%. The rates quoted shall be firm for such variation. In case the variation results in the total contract value exceeding the prescribed percentage revision of rates, if any, shall be applicable only for that portion of the contract carried out in excess of the permissible percentage.

8. SECURITY DEPOSIT:

The Contractor shall deposit **5 %** of the contract value as Initial Security Deposit for the due fulfillment of the conditions of the contract, within 7 days of receiving the order failing which the order shall be cancelled and other arrangements made for executing the work. In addition to the Initial Security **5%** shall be recovered from the successive part bill to fulfill the contract. The Security Deposit shall not bear any interest and the Security Deposit shall be forfeited in whole or part at the discretion of the Chief Engineer, if in his opinion the contractor has failed to fulfill any of the conditions of the above contract. **The Security Deposit shall be refunded to the contractor along with the bill after the work is completed satisfactorily and certified by the Chief Engineer to that effect.**

9. The Contractor should produce Xerox copy of the photo identity card in the form of ration card or voter's identity card for the Contractor and workers engaged by him to issue Harbour entry pass. The Harbour entry pass can be used along with the Xerox copy of the photo identity issued by Government Authority.

10. The Workers should be in position to produce the Harbour entry pass issued by the trust along with the photo identity card for verification purpose during the work at the port. Also the workers shall not indulge in any other undesirable / objectionable activities like pilferage or stealing the materials from the Port, for which act, the contractor only will be held responsible and the work undertaken by the Contractor will be terminated with immediate effect.

11. The list of persons engaged by the contractor with detailed addresses should be furnished to the Chief Engineer's representative / Executive Engineer concerned and the same will be forwarded to the police station concerned for verification of character and antecedents.

12. Compensation for delay:

If the contractor fails to complete the work in all respects within the time specified or within the extended time that may be allowed by the Engineer, the contractor shall pay or allow to the Board a sum of contract as liquidated and ascertained damages and not by way of penalty, for every day/week or part thereof beyond the said period or

extended period as the case may be during which the work shall remain unfinished. Such damages will be deducted from any Amount payable to or to be payable to the contractor including encashment of Bank Guarantee or any Securities / Guarantees, if any available with the Port Trust. The maximum Amount of Liquidated Damages will be worked out based on the Total Contract value inclusive of all Taxes and Duties thereon.

In case of part / portions of the contract work / Supply order completed and taken possession by the Trust and the Trust operates/ can be made for operation of the part portion/ supply order, the calculation of Liquidated damages will be restricted to the uncompleted/ undelivered value of the work/ supply order subject to the amount of the maximum percentage prescribed for the Liquidated Damages/ Late Delivery charges of the total value of the contract/supply.

The Liquidated Damages/ Late Delivery charges will be worked out as follows;

The Liquidated Damages/ Late Delivery charges whose period of contract / delivery is above four weeks, Liquidated Damages/ Late Delivery charges will be $\frac{1}{2}\%$ (half percent) per week or part thereof of the total value of the contract subject to a maximum of 5% of the total value of contract.

The payment of such damages does not relieve the contractor of his obligations to complete the works or from any other of his obligations or liabilities under this contract.

**CHIEF ENGINEER
CHENNAI PORT TRUST**

CHENNAI PORT TRUST

QUOTATION FOR SUPPLYING OF MATERIALS SUCH AS CEMENT, RIVER SAND ON ANNUAL CONTRACT BASIS FOR TONDIARPET HOUSING COLONY OF CHENNAI PORT TRUST

SCHEDULE 'C'

GENERAL CONDITIONS

1. No materials will be supplied free by the Trust and it is the responsibility of the contractor to procure and supply all the materials required for the work at their cost.
2. If any materials issued to the contractor by the Trust for the use on the work is lost or damaged, the cost thereof at the ruling market rate or at the Trust's issue rate whichever is higher plus 20% storage charges in either case will be recovered from any money due or that may become due to the contractor.
3. The quantities given in the schedule of quantities are those upon which the approximate estimated cost of the work is based but they are subject to alterations, omissions, deductions and additions and do not necessarily show the actual quantities of the work to be done.
4. The work shall be done to the satisfaction of the Chief Engineer or his representative.
5. The Chief Engineer may cancel the contract at his option at any time without notice for any reason including poor progress of work. The decision of the Chief Engineer is final and will be binding on the contractor.
6. In case the contractor leaves the work incomplete the Chief Engineer shall have the right to have the work completed through any other agency and recover the extra expenditure incurred by the Trust in so doing from any money due or to become due to the contractor.
7. The Contractor shall conform and comply with the regulations and by – laws of the Chennai Port Trust Board and of all other local authorities such as the Corporation of Chennai. The Chief Electrical Inspector to Government of Tamilnadu, the Tamilnadu Electricity system, the Factories Act, the Government Customs and Police Department, etc. The contractor shall conform to rules, regulations, etc. concerning injury to workman compensation for injury to workmen, Insurance for workman

etc. The Contractor shall also conform to contract labour (Regulations and Abolition) Central Rule 1971 etc.

8. The Contractor shall be responsible for any accident; damage for injury caused to any his employees or property or any person or property in course of the work and shall hold the Port Trust blameless in respect thereof any also in respect of any claim made by any person or any reasons whatsoever.
9. The contractor shall be solely responsible for reporting to the Board and Police Department immediately of any serious or fatal accident inside the Trust's premises to any of his employees/workmen engaged by him or any persons involved in an accident at site of work.
10. The work shall be carried out without causing any inconvenience to the Trust and to other works in progress in the neighbourhood and any losses to the Trust.
11. Only vehicles licensed by the Board will be allowed inside the Port premises. Admission into the Harbour is regulated by issue of passes for the contractor and his staff. Entry passes will be issued free of cost to the contractor. The contractor is solely responsible for all the details incorporated in the passes; the Trust is indemnified against their misuse. The entry passes shall be produced at the time of entry and any other time when demanded by the CISF personnel or department officials. Further, in the event of loss of entry passes or identity card issued to the contractor or their labour, Rs.20/- will be imposed as penalty in each case.
Engineering Department shall recommend the contractor/ firms to register with the pass section. Applicants should apply in the prescribed format to get a code number for the firm from the Pass section and should produce authorized signature of two persons per firm who will sign the pass application. Any changes in the Authorized signatories, both of the firm's officials should be intimated to pass section immediately.
Provision for individual and vehicle Harbour Permits are alone available in the Pass Section Module and not for the Materials.
As per ISPS requirements all the Port users should submit antecedent verification / police verification or Pass port copy of their employees / contract workers, since it is a pre- requisite for issuing all Port Entry passes.
12. Only vehicles licensed by the Board will be allowed to ply inside the harbour. Private carts of any kind are not permitted within the harbour area.

13. The work shall be carried out only during Trust's working days between 7-30 A.M. and 5-00 P.M.
14. The quantities of work executed will be measured and payment made once a month generally except in the case of work for which the time for completion is specified as six weeks or less than six weeks in which case payment will be made once only on satisfactory completion of the work.
15. It shall be clearly understood that the rates mentioned in the schedules are inclusive of everything required to be done for the proper completion of the work.
16. Measurements shall be taken jointly by the Engineer-in-charge or his authorised representative on the one hand and by the contractor or their representative on the other. Before taking measurements of any work, the Engineer-in-charge or the person deputed by him for the purpose shall give a reasonable notice to the contractor. If the contractor fails to attend or send an authorised representative for measurement after such a notice or fails to countersign or to record the objection within a week from the date of measurements, then in any such event, measurements taken by the Engineer-in-charge or by the person deputed by him shall be taken to be the correct measurement of the work.
The contractor shall, without extra charge, provide assistance with every appliance and other things necessary for measurement. Measurements shall be signed and dated by both parties each day on the site on completion of measurement. If the contractor objects to any of the measurements recorded on behalf of the Employer, a note to that effect shall be made in the measurement book against the item objected to and such note shall be signed and dated by both parties engaged in taking the measurements.
17. All payments made by the Trust to the contractor for the work shall be rounded off to the nearest rupee.
18. The work shall be completed within **3(Three) months** from the 7th day of placing the order or actual date of starting the work whichever is earlier.
19. If the progress of work is held up owing to circumstances which in the opinion of the Chief Engineer are beyond the control of the Contractor, Such as War, stormy weather and other reasonable causes, the Chief Engineer may at his discretion, grant to the Contractor such extension of time as he considers reasonable for the completion of the work. The grant of such extension of time will not bestow on them any claim for compensation or extra payment at a future date whatsoever.
