# Citizen's / Client's Charter for Chennai Port Trust- (01.07.2019)

## **Vision**

To become the economic thrust engine for growth of Southern India and to become a major transshipment hub in the East Coast.

## **Mission**

1. To enhance performance and efficiency to the global standards in container handling.
2. To provide world class marine service to the vessels calling at the port.
3. To augment capacity by developing international standard port infrastructure and installing state-of -the-art handling equipment.
4. To ensure quick turn round of vessels by providing facilities for efficient handling of cargo
