Please refer to the above.

It was conveyed vide this office letter cited that the escalation factor of 0.55% in the Scale of Rates of Chennai Port Trust was to take effect from 01.05.2021 as the Port achieved the prescribed performance standards.

Subsequently, based on the representation from the trade body to rescind the SoR increase effect from 1st May 2021 and help the trade survive the situation brought about by COVID 19 second wave. The competent authority has considered the request and the escalation of 0.55% for the year 2021-22 in the Scale of Rates will be implemented from 01.07.2021 instead of 01.05.2021.

This may be brought to the notice of the members of your association.
