Instructions for Online Bid Submission & Instructions to the Tenderers to submit the bids online through the eProcurement site

<https://eprocure.gov.in>

- 1) Tenderer should do the registration in the tender site using the “Click here to Enroll” option available.
- 2) The Digital Signature registration has to be done with the e-token, after logging into the site. The e-token may be obtained from one of the authorized Certifying Authorities such as MTNL/SIFY/TCS / nCode / eMudhra.
- 3) Tenderer can use “My Space” area to update standard documents in advance as required for various tenders and use them during bid submission. This will facilitate the bid submission process by reducing time.
- 4) Tenderer should read the tenders published in the site and download the required documents / tender schedules for the tenders.
- 5) Tenderer then logs into the site by giving the user id/password chosen during registration and password of the DSC/e-token.
- 6) Only one DSC should be used for one Tenderer. If a Tenderer uses more than one DSC token, the bid would summarily be rejected.
- 7) Tenderer should read the Tender schedules carefully and submit the documents as per the Tender else the bid will be rejected.
- 8) If there are any clarifications the same may be addressed to the TIA.
- 9) Tenderer should take into account the corrigendum's if any published before submitting the bids online.
- 10) Tenderer must in advance prepare the bid documents to be submitted as indicated in the tender schedule and they should be in the required format. If there are more than one document, they can be clubbed together.
- 11) Tenderer selects the tender which he is interested using search option & then moves it to the my favorites folder.
- 12) From the folder, appropriate tender can be selected and all the details can be viewed.
- 13) The Tenderer should read the terms & conditions and accept the same to proceed further to submit the bids.
- 14) The Tenderer has to enter the password of the DSC/e-token and the required bid documents have to be uploaded one by one as indicated.

- 15) The Tenderer has to submit the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid will be rejected / will not be accepted by the system.
- 16) The rates should be offered in the format specified. (.xls format)
- 17) If the rates are not offered as per the given format the bid cannot be submitted / will not be accepted by the system.
- 18) Upon successful completion of the bid, the system will give a successful bid updating message, bid summary will be shown with the bid no., date & time of submission of the bid along with all other relevant details.
- 19) The bid summary should be printed and kept as an acknowledgement.
- 20) The bid summary will act as a proof of bid submission for the subject Tender.
- 21) For any clarifications regarding the Tender, the bid number can be used as a reference.
- 22) The bids should be submitted on or before the prescribed date & time.
- 23) Each document to be uploaded online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced by scanning at low resolution and the same can be uploaded.
- 24) The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The Tenderers should follow this time during bid submission.
- 25) All the data being entered by the Tenderers would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & cannot be viewed by any one until the prescribed date & time of bid opening.
- 26) The confidentiality of the bids would be maintained. Secured Socket Layer 128-bit encryption technology is used. Data storage encryption of sensitive fields is done.
- 27) Any document that is uploaded to the server is subjected to symmetric encryption using a generated symmetric key. Further this key is subjected to asymmetric encryption using buyers' public keys. Overall, the submitted tender documents become readable only after the tender opening by the authorized individual.
- 28) The soft copy of the remittance towards EMD shall be uploaded in the e-tender.
- 29) For any queries, the Tenderers are asked to contact by mail cppp-nic@nic.in or by phone 1-800-233-7315 well in advance.

NOTE: FINANCIAL BID TO BE SUBMITTED AS PER FORMAT THROUGH ONLINE MODE AND ONE HARD COPY AS SPECIFIED

Deliverables include providing the Trust with an Incident Management System(IMS) for logging service calls and incidents. The IMS should be available 24*7. SLA compliance would be calculated based on the Time of logging in and resolution of an incident and the type of incident based on its severity. Appropriate deductions for SLA breaches would be made in the corresponding billing period.

The AMC is comprehensive, covering all repairs and replacements. Comprehensive AMC includes: -

- All parts of Hardware for the equipment's mentioned in the Schedule-A.
- Data recovery in case of corruption of data in computers /servers under AMC;
- Maintenance of battery for UPS and Shifting of Servers, Computers, Peripherals as and when needed/advised by the office of SDD(EDP).
- Addition / removal of Network Nodes (Network Cable & Jacks shall be provided by ChPT) Casing, Capping and other associated electrical works would be performed by ChPT.
- Laying Network Cable and troubleshooting / rectifying Network problems.
- Transportation and safety of Hardware from ChPT site to repair Centre and vice versa (NO TRANSPORT would be provided by ChPT)
- NO TRANSPORT shall be provided by ChPT for the service engineers to attend calls.
- Installation, reinstallation, troubleshooting, patch management & update services in OS in systems under maintenance.
- Complete Network comprising of all Active and Passive components, cables, Peripherals.
- Maintenance of 10 KVA on-line UPS.
- Ensuring virus free desktops.
- Ensuring effective performance of the Hardware and Network components taking into account the environmental factors like humidity, coastal climate, power, rodent intrusion etc.,
- The firm should provide only genuine spares for maintaining all the Hardware under this maintenance contract.
- In case of replacement of any component with a genuine spare, the same with similar configuration or a compatible higher configuration (at no extra cost) must be provided.

- Server Maintenance (Activities such as Hardware maintenance, replacement with genuine spares, installation, configuration of software, data recovery, start-up/shutdown, User management, Security management, taking daily backups, log maintenance, database administration, availability of critical services, Monitor CPU, Memory & other vital resources etc...) Tape drives required for taking backups would be provided by ChPT.
- Maintenance of Logbook/Worksheet etc.
- Preventive maintenance after approval from ChPT to be carried out.
- Maintenance of asset list under maintenance at least once a quarter. Bills would be passed only upon submission of asset registers by the successful bidder.
- Contract includes replacement of all parts of hardware in Inkjet and Laser jet printers, software uploading data recovery in case of corruption of data in the computers, Battery for UPS under Contract.
- Contract includes deployment of sufficient skilled manpower onsite to ensure compliance of SLA. Minimum required strength during 0900-1800 Hrs is 8 plus 1 Team Leader and during 1800-0900 Hrs is 2 with a hot seat exchange thereby providing 24*7 coverage.
- Apart from the minimum required strength of 8 resources plus 1 team leader, it is mandatory for the successful bidder to deploy resources with the following skill set throughout the contract period between 0900-1800 Hrs on trust working days
 - One Oracle Certified Professional (OCP) with minimum 5 years' experience as Database Administrator.
 - One Sun Certified System Administrator (SCSA) with a minimum of 5 years' experience in SUN Server environment. The Service Engineers shall be a degree/diploma holder in the relevant field.

Further the team onsite should also comprise of the resources with the following skill set

- One Cisco Certified Network Administrator (CCNA) / Cisco Certified Network Professional (CCNP) with 5 years' experience.
- One MCSA/MCITP/MCSCE certified Professional with 5 years' experience in WINDOWS Server environment.
- It is the responsibility of the contractor to maintain sufficient spares onsite to adhere to the SLA.
- Every line item in the Bill of Materials(BoM) is classified based on the severity considering the level of impact on the day to day operations of the port.
- Any dislocation/repair in the functioning of respective line item of the BOM would have to be addressed in line with the SLA provided.
- Scope includes configuration of thin clients using storage device (EMC²) as in device memory, deployment and maintenance of the same during the contract period.

ANNEXURE- F

INTEGRITY PACT

BETWEEN

Chennai Port Trust, Chennai hereinafter referred to as "The Principal".

AND

..... hereinafter referred to as "The Tenderer / Contractor".

Preamble

The Principal intends to award, under laid down organizational procedures, contract/s for The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with the Tenderer/s and Contractor/s.

In order to achieve these goals, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 – Commitments of the Principal

(a) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles: -

(i) No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.

(ii) The Principal will, during the tender process treat all Tenderers/Contractors with equity and reason. The Principal will in particular, before and during the tender process, provide to all Tenderers/Contractor the same information and will not provide to any Tenderer/Contractor confidential /additional information through which the Tenderer/Contractor could obtain an advantage in relation to the tender process or the contract execution.

(iii) The Principal will exclude from the process all known prejudiced persons.

b) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC /PC Act, or if there be a substantive suspicion in this regard, the Principal will inform its Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2 – Commitments of the Tenderer /Contractor

(a) The Tenderer / Contractor commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

(i) The Tenderer / Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

(ii) The Tenderer /Contractor will not enter with other Tenderers into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

(iii) The Tenderer/Contractor will not commit any offence under the IPC/PC Act; further the Tenderer/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or documents provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

(iv) The Tenderer / Contractor of foreign origin shall disclose the name and address of the Agents / representatives in India, if any. Similarly, the Tenderer/Contractor of Indian Nationality shall furnish the name and address of the foreign principals, if any.

(v) The Tenderer/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(b) The Tenderer /Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3-Disqualification from tender process and exclusion from future contracts

If the Tenderer /Contractor, before award of contract has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Tenderer/Contractor into question, the Principal is entitled to disqualify the Tenderer/Contractor from the tender process or to terminate the contract, if already signed, for such reason.

- (a) If the Tenderer/Contractor has committed a transgression through a violation of Section 2 such as put his reliability or credibility into question, the Principal is entitled also to exclude the Tenderer/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company hierarchy of the Tenderer and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
- (b) The Tenderer/Contractor accepts and undertakes to respect and uphold the Principal's absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
- (c) If the Tenderer/Contractor can prove that he has restored /recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
- (d) A transgression is considered to have occurred if in light of available evidence, no reasonable doubt is possible.

Section 4 – Compensation for Damages

- (a) If the Principal has disqualified the Tenderer/Contractor from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Tenderer/Contractor liquidated damages equivalent to 3% of the value of the offer or the amount equivalent to Earnest Money Deposit / Bid Security, whichever is higher.
- (b) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to 10% of

the contract value or the amount equivalent to Performance Bank Guarantee, whichever is higher.

- (c) The Tenderer/Contractor agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Tenderer / Contractor can prove and establish that the exclusion of the Tenderer /Contractor from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount of the liquidated damages, the Tenderer /Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 – Previous Transgression

- (a) The Tenderer/Contractor declares that no previous transgressions occurred in the last 3 years with any other Company in any country conforming to or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
- (b) If the Tenderer/Contractor makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section 6 – Equal treatment of all Tenderers/Contractors/Sub-Contractors

- (a) The Tenderer / Contractor undertake to demand from all sub-contractors a commitment in conformity with this Integrity Pact, and to submit it the Principal before contract signing.
- (b) The Principal will enter into agreements with identical conditions as this one with all Tenderers, Contractors and Sub-Contractors.
- (c) The Principal will disqualify from the tender process all Tenderers/contractors who do not sign this pact or violate its provisions.

Section 7 – Criminal charges against violating Tenderers/Contractors/Sub-Contractors

If the Principal obtains knowledge of conduct of a Tenderer, Contractor or Sub-Contractor or of an employee or a representative or an associate of a Tenderer, Contractor or Sub-Contractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer.

Section 8 – Independent External Monitor / Monitors

- (a) The Principal appoints competent and credible Independent External Monitor for this pact. **The two IEMs are:** Shri. M. Selvaraj, Ex-Director(Fin), Flat No.248, Wing D-2, Om Shubhkarma, CHS Ltd., Karmashetra, SS Nagar, Mumbai - 400037 and Shri. Ramabadrnan Krishnan, Ex-Director(HR), A-4, Alkapuri, Bhopal - 462024, Madhya Pradesh. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- (b) The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently.
- (c) The Tenderer/Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Sub-Contractors. The Monitor is under contractual obligation to treat the information and documents of the Tenderer/Contractor/Sub-Contractor with confidentiality.
- (d) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor, the option to participate in such meetings.
- (e) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The Monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
- (f) The Monitor will submit a written report to the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.
- (g) Monitor shall be entitled for sitting fee of Rs.3000/- (Rupees Three Thousand only). The said fee will be borne by the Principal.
- (h) If the Monitor has reported to the Principal substantiated suspicion of an offence under the IPC/PC Act and the Principal has not, within reasonable time, taken visible action

to proceed against such offence or reported to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

- (i) The word "Monitor" would include both singular and plural.

Section 9 – Pact Duration

- (a) This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Tenderer 6 months after the contract has been awarded.
- (b) If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by the Chennai Port Trust.

Section 10 – Other Provisions

- (a) This agreement is subject to Indian Law. Place of performance and jurisdiction is Chennai.
- (b) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
- (c) If the Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members,
- (d) Should one or several provision of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
